

MOOR, BAKER & ASSOCIATES ARCHITECTS, P.A.

**MOOR, BAKER AND ASSOCIATES ARCHITECTS, P.A.
IS THE VERO BEACH, FLORIDA-BASED PARTNERSHIP
OF ARCHITECTS PETER D. MOOR, MARY JUCKIEWICZ
AND CHRIS BAKER.**

For over twenty years, they have built their reputation creating timeless architecture where clients' needs, climate and site converge. The firm focuses on the private home, both new construction and renovation, an occasional commercial space or garden folly and any project furthering their interests in site planning, urbanism, craft, construction and the continuation of the traditional building arts.

After working in Manhattan, Moor and Juckiewicz opened a practice in Vermont where they were greatly influenced by the region's traditional vernacular architecture. One of their projects received a National Historic Landmark designation. In 1991, Moor & Associates was formed in Vero Beach, Florida. Baker, a St. Louis native, joined the firm in 2004 and after eleven years of design collaboration, was made a partner.

The team has received numerous professional awards, been published in the Institute of Classical Architecture & Classical America's "A Decade of Art & Architecture 1992-2002" and many magazines including Coastal Living, Southern Living, Luxe and Tropical Home.
